

To all players, parents, volunteers and friends of Yorkshire Badminton

The executive committee have recently discussed the issue of a fund raising activity which can provide subsidies for the many team events at which our squads participate both at junior and senior level when players have to travel some distance beyond Yorkshire.

Consequently the committee has decided to re-launch the 100 club which has only previously been available to senior players and volunteers. The 100 club involves a monthly cash prize draw. Members pay a subscription of £12 a year for which they receive the chance of a cash prize in the monthly draw. Half of the subscription is used for the prize money, the other half being used to support teams. By extending the membership to all parents of junior players we hope to increase membership, the cash prizes and the amount raised to support teams.

Membership is open to anyone connected with Yorkshire Badminton – players, parents and volunteers. However members must be 18 years of age or over. You can become a member by completing the form below and sending to me with your subscription.

Membership will run from 1st October 2007 for 12 months. The first draw will be on 15th October 2007 and prize winners will be informed by letter and names posted on the Yorkshire Badminton website. There will be two prizes of £35 and £15 to begin with.

Clearly the success of the scheme lies with the number of subscriptions that are forthcoming and we ask for your support in this matter. There will be no other major fund raising activities such as ‘Prize Draw’ which involve selling books of raffle tickets. However individual local events may organise a raffle on the day. Please take this opportunity to help the teams that represent Yorkshire Badminton at whatever level by completing the tear off below and returning to me with your subscription.

Brian Ward, Chairman School and Youth Committee.
